

HOSPITALITY CONCERNS ADDRESSED WITH LEADERSHIP AND DIRECTION

UNIQUE SOLUTIONS DELIVERING GUIDED RESULTS

AN ALTERNATIVE REVIEW APPROACH IN GUIDING POSITIVE OUTCOMES

Expense Loss “EL” is our proprietary method of delivering on future projected results. EL is the variance between money that is currently unsystematically expensed on product, services, or equipment and the achievable amount of expense reduction that is possible or interpreted through a review and fiscally applied methods of spending behavior and forward thinking decisions.

CUSTOMIZED MANAGEMENT AND TEAM TRAINING WITH CERTIFICATE COMPLETION STRUCTURING

Professional training considerations are designed around your business brand. Material enrichment occurs after a complete understanding of your business organization, your needs, and your goals. Programs can be structured to train to individual or small groupings, private classroom, or larger seminars based programming. Coursework can be provided remotely, and encompasses all hospitality procedures and operational considerations, as well as, valuable sanitation training courses.

BROAD HOSPITALITY CONSIDERATIONS WITH COMPREHENSIVE BACKGROUND LEADERSHIP

Approaching a new direction requires a planning consideration that you may have uncertainties about. Turning the ship on a new course requires in-depth review and a discussion of alternatives to outline the best approach to administer. Considering alternatives should never be performed by internal objectives alone.

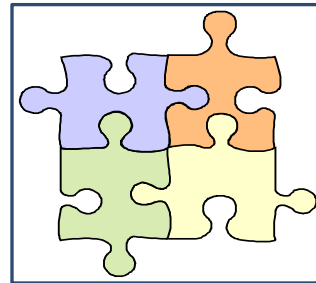

Lopolito Hospitality Consultants offers industry leadership with guidance and solutions to a broad range of scenarios. Find out how you can benefit from a customized plan designed to fit your specific situation.
